Literary Lunch £16.95

Sunday March 28th

THRILLER WRITER

E. V. SEYMOUR LAUNCHES 'LAND OF GHOSTS'- her latest book

For our first Literary Lunch we have managed to get Eve Seymour to come and talk to us. The idea is simple - you get to meet a professional thriller writer and have a sumptuous three course meal. Eve will tell you all about her new book which is due out in March and then you can talk to her over coffee and - if you like - buy her books.

If you think espionage, rogue agents, and female Chechen snipers are confined to Sunday newspaper headlines, think again. These are just some ingredients of the explosive new thriller from the Tallis series of novels featuring Paul Tallis, an off-the books spook for the security services.

As Terry Halligan wrote in his review of Eve's book - The Mephisto Threat 'On the cover of my copy it says "forget Bond, forget Bourne, meet Paul Tallis". Why not indeed? I think this author is just superb. I hope that you enjoy reading it as much as I did.'
