TESTIMONIALS

We had the most amazing time, and everybody at Grafton Manor went above and beyond to make sure we had the most special day. We would like to give special mentions to Adam, Scott, and Tim for going the extra mile with the wedding and planning, as they made our day run so smooth. We would definitely recommend it to anyone and especially who is looking at getting married at an exclusive venue.

Mr & Mrs Madeley 03/08/2024 - Hitched.

Nothing was too much trouble and they made sure all of the little details were covered, which meant that the day went smoothly with no hiccups. The chapel at the venue is so romantic and the grounds are absolutely stunning... All of the rooms are decorated in the most beautiful classical style and the bridal suite made for lovely photos in the morning.

Everyone commented on how delicious the food was and how wonderful the staff were on the day... we were even able to have fireworks in the evening.

Wouldn't change a thing about it and would recommend the venue to anyone looking for a classic, quintessential English wedding with picturesque and romantic surroundings.

Elegance. Class. Perfection.

Mr & Mrs Betty 13/07/2024 - Hitched

We had such an amazing wedding day. We made sure to visit the venue a few times prior to our wedding, and the team were so good with any queries or requests we had. The day went exactly to plan and the only complaint we would have is that the day went far too quickly (time flies when you're having fun!). Thank you for an amazing day Grafton.

As soon as we visited Grafton manor we knew it was THE ONE!! And we were right! From start to finish they were just the best! The venue is stunning, from the beautiful grounds, to stunning chapel and rooms, food was amazing, staff went above and beyond! A number of my guests even said it was the best wedding they have been too!

We can't thank Grafton manor enough! Thank you!

Mr & Mrs Longhurst 01/06/2024 - Hitched

If there is any doubt in your mind about booking this venue then I can get rid of that doubt for you right now and tell you I got married there on 31st may 2024 and it was flawless from start to finish from the attention to detail for everything and the food was outstanding. So many of my guests told me it was the best wedding they had been to just because everything ran so perfectly. Honestly you will not regret booking the stunning Grafton manor.

Mr & Mrs Fidoe 31/05/2024 - Hitched

From our first phone call, right through to speaking with them after the wedding, the service has always been first class and the staff could not have done more.

Our wedding was everything we could have wished for. When I arrived at the venue, the décor was exactly how I'd pictured it would be and the service from the team on the day exceeded my expectations not to mention their beautiful grounds, the most incredible food and stunning views. Their attention to detail and customer service is unmatched. Every member of staff made our wedding the success that it was. Even with over 130 guests, there was never a queue at the bar nor anyone waiting long for food. I am by nature a bit of a control freak but felt totally comfortable handing over the reins of our biggest day to Adam and the team as I was confident they would ensure our day ran perfectly.
